COURSE CATALOG

Browse the ACI eLearning **course catalog** or use the "FIND A COURSE" search to the left to find a course you're interested in. The course catalog currently contains the following course categories, as well as the individual courses that make up the category:

- **NEW! Fiber-Reinforced Concrete:** This category includes three courses covering topics related to the production, testing, design, and applications of fiber-reinforced concrete. Total continuing education credit is 0.45 CEU (4.5 PDH).

6. Click on **Have a license? Click here to activate**.

7. Enter license key and click **Activate License**

8. Follow steps 5 - 8 from **TO PURCHASE AND REGISTER FOR A WEBINAR.**

SITE LICENSE:

[Back to Top](#)

The **Site License** option may be available for some live webinars. It is intended for groups up to 30 people who may want to view the live webinar together as a group or multiple groups across different offices. If the **Site License** option was purchased for a live webinar, an attendee sign in sheet will be emailed to individual who purchased the webinar. Each attendee’s name and email address must be typed, and the attendee must provide their signature to receive a certificate. The completed form is emailed back to ACI at emk@concrete.org.

GROUP DISCOUNTS:

Back to Top

We offer group discounts for **live** webinars where a Site License is not offered. A unique set of discount codes are issued for each live webinar.

- 50% off the webinar price for 3 – 10 people
- 65% off the webinar price for 11+ people

If you are interested in purchasing a live webinar for three or more people in your organization, contact Claire.Hiltz@concrete.org for a discount code. To use the discount code, follow the steps in **PURCHASING FOR OTHER USER**, adjust the quantity and enter the discount code in the **Coupon/Discount Code** box and click **Apply**. Individuals are still required to register for the live webinar, log in, and attend for the entire duration.

PDH CREDIT AND CERTIFICATES:

Back to Top

- For **On-Demand** webinars, certificates are issued upon successful completion (score of 80% or higher) of the 10-question quiz. They are emailed to the individual and can also be accessed from **My Courses** under **Completed Courses**.

Completed Courses

You have completed the following courses. You can view and print your certificate by clicking on the certificate icon  under the Actions column.

| Title | Date Started | Date Completed | Last Viewed | Score | Expiration Date | Actions |
|--|-------------------------------|------------------------------|--------------------------------|-------|-----------------|---|
| ACI 332: A Contractor-Friendly Concrete Code (Webinar) | 5/12/2014 3:33 PM (UTC-04:00) | 6/3/2014 2:07 PM (UTC-04:00) | 10/17/2014 9:05 AM (UTC-04:00) | 100% | N/A |   |

- For **Live** webinars, certificates are issued to individuals who attended the live webinar for the entire duration. Certificates will be emailed to the individuals who meet the attendance requirements:
 - You must be logged in with your full name and email address, and attend the entire Webinar to receive a certificate. Certificates will not be given for partial attendance. You must purchase the Webinar to be eligible for a certificate.
 - For SITE LICENSE purchasers: If you viewed the Webinar within a group, your name, email address, and signature must appear on your organization's group attendance sign-in sheet.
 - The attendee must respond to all polls presented during the Webinar.
 - Although the Webinar will be recorded for later viewing, certificates will only be given for attendance during the LIVE Webinar or by passing the quiz that is available after the live Webinar.
